As tenants will be aware a suspected arson attack occurred on the shed of plots 1&2 designated for disabled tenants. The tenant has been very upset by the ordeal. The tenant is happy to pay towards work that is required and support those helping.

Heavy winds brought some branches down from the large trees near the car park. These trees also have problems with wasp nests in the summer. Tenants at the far end of the site have also raised concerns for the big trees on the edge of the site.

5. Any items tenants may wish to raise.
