

WELLINGTON TOWN COUNCIL

ALLOTMENTS COMMITTEE

9th October 2017

COUNCIL CHAMBER, 28 FORE STREET, WELLINGTON

6pm

AGENDA

1. Apologies

2. Update on plots

Several plots have become vacant. These have been or are in the process of being re-let.

3. Dogs

Complaints have been received about the dog fouling on the site.

4. Rent

Rent collections have been received. Deadline for payments was 29th September 2017.

5. Trees

The large trees on the driveway and car park boundary require a great amount of work. The tree officer has inspected them and in order to make them safe they may need pollarding as well as removing any dead branches. There are concerns that both may have large cavities.

The tree officer noted that the ash tree at end of the site needs deadwooding for health and safety and the smaller dead trees at the top of the site (Plot 47) need to be felled.

The tree officer and his team are able to do this work in November to avoid the bees etc.
