

## **WELLINGTON TOWN COUNCIL**

COUNCIL CHAMBER, 28 FORE STREET, WELLINGTON

**Allotments Committee – 17 September 2018 at 6pm**

### **AGENDA**

**1. Apologies**

**2. Update on Vacancies and Waiting List**

**3. Inspection Feedback**

An update following the recent inspections

**4. Hedge Trimming and General Tidy Up of the Site**

It was hoped that the Community Warden would be undertaking these necessary works within the next few weeks

**5. Entrance Gate and Track**

Both the entrance gate and the track will need some work to be carried out before the weather changes. The resurfacing works proved too costly and it was difficult to have scalplings delivered to fill the potholes

**6. Trees**

Most of the necessary tree works had now taken place despite the bees still being present. The remainder of the works would be carried out later in the autumn when the hornets were dormant

**7. Site Security**

There have been a number of reports of break-ins, crops being stolen and some vandalism. We have also heard that the gate is not being locked at the end of the day which doesn't help the situation

**8. Dogs**

Complaints have been received about dog fouling on the site

**8. Any items tenants may wish to raise**

**9. Next Meeting Date**

Gill Croucher  
Town Clerk's Assistant
