Town helps businesses get back on their feet...

THIS latest page of advertisements is the eighth week of a joint initiative between Wellington Town Council and the Wellington Weekly News to help local businesses and charities affected by the coronavirus crisis by offering free advertising.

Wellington's Mayor, Cllr Janet Lloyd, said: "We are running this page for two more weeks but we now want to change the emphasis and format of the advertisements we are running.

"From next week for two weeks, we want to hear from businesses about their plans and dates for re-opening and are offering free advertising to hear when and how they will be trading again.

"So, please, all businesses,

Wellington Mayor Janet Lloyd

contact Nick Grabham at the Wellington Weekly News on 01823 664633 (mobile 07800 608205) or email your details to him at nick.grabham55@gmail.com

"Please take advantage of this offer of free advertising to help you get your business back on its feet. Very good luck."
