

Section 3 – External Auditor Report and Certificate 2018/19

In respect of **Wellington Town Council (Somerset) – SO0284**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Section 2 has not been prepared in accordance with proper practices. The income and expenditure basis must be used to prepare the accounts for the third and subsequent years that the income and/or expenditure exceeds £200k. Please ensure that the 2018/19 figures are restated in the prior year comparatives when completing next year's AGAR.
- The smaller authority has not restated the 2017/18 figure when revaluing assets in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.

The smaller authority has disclosed that it carried out risk assessment and took appropriate steps to manage those risks during the year 2018/19, by answering 'Yes' to Section 1, Assertion 5. However, we are aware that it failed to formally review and approve risk assessment at full council level and therefore should have answered 'No' to this assertion.

Other matters not affecting our opinion which we draw to the attention of the authority:

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has made a number of recommendations. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
