Heart of the South West
Growth Support Programme

European Union
European Regional
Development Fund

Empowering business in the Heart of the South West

The Growth Support Programme helps businesses to identify their barriers to success and provides access to the funded support they need to grow.

You can get up to 12 hours of free support in different areas:

- Marketing
- Business Planning
- Digital processes
- Finance
- Human Resources
- Innovation

"My business is now thriving thanks to the Growth Support Programme; our advisor was fantastic and provided us with so much information"

Simon Hayes, N & S Property Services

Time is running out though, so to find out more and check if you are eligible, please visit:

<https://www.heartofswgrowthhub.co.uk/gsp-apply/>

or contact growthsupport@devon.gov.uk

The Heart of the South West Growth Support Programme is receiving up to £1,294,302 of funding from the England European Regional Development Fund (ERDF).

The accountable body for this programme is Devon County Council, working with the following delivery partners: BIP, Cosmic, North Devon +, Somerset Business Agency and YTKO.
