109 MAYOR'S REPORT

The Mayor reported that she had visited the Women's Institute memorial display in Wellington Park where knitted and hand-crafted poppies have been installed. She had also visited the field of remembrance at the Baptist Church and laid a cross. The local branch of the Royal British Legion will be running their poppy appeal from the Pop Up Shop until Wednesday. It was planned to hold a small, socially distanced, wreath laying ceremony at the War Memorial on Sunday 8th November but this might change due to the new lockdown restrictions being announced. Councillor Thorne reported that further guidance on remembrance services had been issued earlier that day. The Mayor will circulate an update the following day once the new guidance has been read.

She had contacted the organisers of the annual Christmas window competition and unfortunately agreed that it should be cancelled for 2020. This was due to the new Coronavirus restrictions.

She was saddened and shocked to receive a report that Network Rail employees working on the Tonedale Bridge had been subject to verbal abuse by members of the community. She has written to National Rail to issue an apology on behalf of the Town.

110 POLICE REPORT

Sergeant Dan Bishop presented his Police report for the previous month which had been circulated in advance of the meeting. His team had carried out a number of licence checks and they had been impressed with the COVID-19 related measures being taken by local businesses. He further reported that officers had dealt with a gathering of around 40 youths at the skate park adjacent to Wellington Sports Centre. This led to eleven ASB warning letters being issued to youths and their parents. Two £200 COVID-19 penalty notices were issued to those over 18. On the same evening, a youth was also arrested for causing criminal damage to a window of a high street property. It was understood however, that the incident did not involve genuine users of the skate park but the area was used as a meeting place for those in question.

Councillors noted that this report was prepared and circulated before the new lockdown measures had been announced. Sgt Bishop was thanked for his team's hard work and it was asked that the kind thoughts of the Council be passed to PSCO Hallett who had unfortunately fallen ill.

At this juncture, Sgt Bishop left the meeting.

RESOLVED to move forward item 10 (update from National Trust) to follow the Clerk's report.

111 CLERK'S REPORT

The report prepared by the Acting Clerk had been previously circulated to Councillors and it was so noted. Councillor Stock-Williams asked if there had been an update from ID Verde regarding the Longforth Road toilets. The Acting Clerk informed that this will be followed up as soon as possible.

112 TO RECEIVE AN UPDATE FROM NATIONAL TRUST

Emma Jones, Community Fundraiser and Engagement Officer (Wellington Monument). gave an update on the fundraising for the Monument's refurbishment, £380,000 is left to raise but she is confident that this will be reached. The project is only one of a few that the National Trust continued through lockdown and is only around two weeks behind schedule with an anticipated finish date of May 2021. 1,500 stones are being replaced in the structure including a newly built pyramidion. However, they are pleased to be able to reinstate the original capstone which is in excellent condition. Fundraising activities have included 'stone donations' where it has been possible to purchase a piece of stone that has been removed with a certificate of authenticity. Another scheme has seen people submitting donations accompanied with a letter or note on A5 paper which will be placed behind the new plinth stones when they are installed. Emma was also pleased to report that the stones required to rebuild the steps had been ordered and that the scaffolding will be dismantled in the coming months. The project, when finished, will have taken 3 years in total. She put forward an idea that the original pyramidion could be used to create a feature in the centre of Wellington. Councillors were very keen on this and installation in the park or on a roundabout was suggested. Emma will gather further information and report back to the Council.

113 GRANT APPLICATIONS

An application had been received from Wellington Tennis Club for £200 which will contribute towards work to trees adjacent to their premises. The application and supporting documents had been circulated to Councillors in advance of the meeting. After some discussion it was **RESOLVED**, by majority vote, not to grant the application for £200. Councillors felt that as the County Council owned the trees, that they should carry out the works required or provide the funding to do so.

Alice Kendall Acting Town Clerk 30th November 2020

Wellington Town Council

We know that weekend shindigs, days out and socialising have all been turned on their heads this year with plans disrupted and many regular events cancelled. We had the beginning and end of our year long series of food and drink events impacted by the restrictions on popular markets where large numbers may attend – but we think we managed to deliver an inclusive, safe and welcoming event in Wellington between lockdowns.

We are proud of our custodianship of the food and drink festival and this year was our fifth since taking it on.

This year we made adaptations and alterations to ensure maximum public safety and create an opportunity for the local community to have something to look forward to. As in previous years the festival was open air and we had applied for and been granted covid-secure status. We removed around 1/3 of the pitches to create more room, introduced markings for queues, dispersed the hot food to minimise congestion, had extra signage, covid marshals, hand sanitiser stations and lots of pre-event messaging to remind people of their obligations. All our producers had completed their covid risk assessment and we had an excellent report back from the Director of Public Health and Council EHO who both visited. For many of the micro and small food and drink businesses our six 2020 events were the only face-to-face (or mask-to-visor) trading opportunities of the whole year.

Reflecting on the past 5 years we have enjoyed working in Wellington and forging relationships with groups like the Quakers, Transition Town and the Army Cadets.

We made one fundamental change in 2015 by switching the layout from backs of stalls facing the shops to islands in the middle of the road in High Street and alternating sides of the road in South Street. We continued the demo stage we had helped establish and then swapped to a more interactive cook school.

We brought our high sustainability standards to the event. This is a 24 point plan covering waste, water, energy, transport, food and community. We have a target of 30 miles for the miles for the producers who take part. We also book a wide variety of entertainment that keeps the food and drink as the star of the day.

We know that producers who had only just started out when the pandemic restrictions hit were some of the hardest hit by the lack of events, so in 2021 we are launching a new support initiative, Start Out Strong [SOS], to help them. This is a 20% discount on their pitch fee plus support from our partners with financial advice, marketing and business planning.

The bursary sponsored by Thatchers Cider will return in 2021 – offering free pitches to brand new producers.

We are working in the 2021 eat:Wellington event and are looking forward to showcasing a great range of local producers in a town. We are already open for applications and expect to be full before the end of February for the September festival. We welcome applications and if you know someone who you think would enjoy trading at any of events please do ask them to get in touch. We will reaching out and visiting local businesses offering ideas on how they can take advantage of the footfall. In 2021 we will keep the revised layout of the dedicated lane for the Royal Mail.

Best wishes and merry Christmas – Bev and Sarah Milner Simonds hello@eatfestivals.org

WELLINGTON TOWN COUNCIL BUDGET REPORT

for the financial year 1 April 2020 to 31 March 2021

1. INTRODUCTION

Wellington Town Council has a statutory duty to set an annual budget. This is a legal precursor to setting the precept for the following year. Although variances in actual expenditure are inevitable due to changing circumstances (whether internal or external), careful attention to detail, coupled with comprehensive planning ensures that anticipated costs for the year ahead are accurately forecast. This means sufficient funds are available for the Council to:-

- meet its statutory duties both as a Council and an employer
- operate efficiently and effectively
- provide services for the benefit of the town
- work positively with partners and other external agencies
- fulfil aspirations to enhance Wellington's community well-being and success

The Acting Clerk prepared a 1st draft budget which was reveiwed at an informal Council meeting in November. The outcome of this process was a 2nd draft budget to be submitted for approval at the December meeting of full Council which, once agreed will allow the 2020-2021 precept to be determined.

2. THE PRECEPT

The precept is a component of annual Council Tax levied by a Local Council, chargeable only to its parish (town) residents. It is the sum required to meet the shortfall between anticipated income and expenditure in the forthcoming year's budget.

2.1 Calculating the precept

Precept calculations follow a formula based on Band D Council tax valuations (October 2009) against the number of band D properties within the parish, as adjusted for empty properties, new properties coming forward, appeals and non-collection. This information is provided annually by Somerset West and Taunton Council (SWT) and is known as the Council Tax Base. This year's figure is 5,283.86.

The shortfall of the annual budget is divided by the Council tax base (5,283.86) to determine a per-household sum. Once agreed, Wellington Town Council's precept is notified to SWT through a formal process. The precept is then collected from 'parish' residents as part of their overall Council Tax Bill.

2.2 Precept Payments

Precept payments are split into two equal instalments reveivable in April and September. Details of Wellington Town Council's precept levels are shown below at 3.3.

3. BUDGETARY CONSIDERATIONS

Council expenditure may be funded from income generated by assets, however for Wellington Town Council, like many others, the main bulk of income is generated through the precept.

3.1 Budgetary Surpluses and Financial Reserves

Given that the Council's funds are mostly generated from public money it is essential that unnecessary surpluses are not generated year on year. It is generally considered reasonable to have financial reserves for one year's operational costs, and this 'rule of thumb' has been followed by the Council for several years.

Coronavirus restrictions have significanly impacted the Council's planned activities for the 20-21 year which has contributed to an overall projected underspend of £207,000 as at 31 March 2021.

Comparative Financial position as at 30 September

Account	Deposit	Savings	Total	Current Account
	Account	Bond	Reserves	
30.09.17	161,187	55,641	£216,828	226,758
30.09.18	261,314	55,086	£316,400	86,273
30.09.19	256,372	55,529	£311,901	188,089
30.09.20	256,493	56,225	£312,718	314,885

Financial reserves are similar to last year. However as seen above, the current account balance is significantly higher this year. The overall financial position is very healthy, providing financial protection of 12 months operating reserves based on the 2021-22 draft budget. Councillors should be mindful that reserves should be proportional to operational need. Consideration might also be given to transfering some funds from the Current Account to the Deposit or Savings Bond Account.

3.2 Basis of Preparation

The 2020-21 draft budget was prepared taking into account the current year's 6-month income and expenditure to 30 September, projected forward to year end by factoring-in known and best-guess estimates for the remaining 6 months of the current financial year.

Where anticipated income or costs are known for next year's contracts or services these exact amounts have been incorporated into the 2021-21 budget. Otherwise a 3% increase has been built in to contract sums to reflect inflationary increases. Other costs have been based on this year's final anticipated budget plus any anticipated change to services or activities.

3.3 Governance and Accountability – Precept Levels

The Council manages its finances well, reviewing monthly income and expenditure reports and bank reconciliations. The 2020-2021 year resulted in a bigger increase in the precept as the Council determined significant appetite to increase the range and extent of its services and activities.

At the informal meeting held in November, it was agreed that due to the anticipated underspend, it would be prudent to keep the precept amount at the same as last year. Due to the slight increase in tax base (ie more properties), keeping the same precept figure will actually show a very slight decreace on the Band D equivilant.

Comparative Annual Precept levels

4. GRANTS and SERVICE LEVEL AGREEMENTS

Wellington Town Council exercises its legal power to make grants to external organisations – charities, community interest companies, voluntary groups, and pre-schools. There is a formal grants policy and application form.

4.1 Grants Budget and Process

Demand for grants has been very low so far in the 2020-21 year. The impact, of course, has been due to Coronavirus. However, as groups/organisations return to more normal working practices, I would expect this to increase during the later part of the financial year and into 2021-22. The budget also includes provision for spending on projects directly relating to Coronavirus.

4.2 Service Level Agreements (SLAs)

The Council has acknowledged the essential role of a range of local organisations in providing much-needed services to the town. As a result, a commitment to year-on-year funding has been awarded by way of a 3-year SLA. Several of the Council's SLAs have now expired or will expire before the end of the financial year. These will be presented to the Finance Committee as required.

	£	Current status	Formal agreement?
WHERE	2,000	3 year SLA terminated 2020-21	To be reviewed
Citizen's Advice Bureau	3,000	3 year SLA terminated 2019- 2020	Review reqiured. Anticipated increase built into budget for 2020-2021
Reminiscence Learning	3,000	3 year SLA terminated 2020-21	To be reviewed
Wellington Community Councilling	12,000	3 year SLA terminating 2022-23	Yes

4.3 Value for Money and Accountability

The Council has acknowledged the need to formally evaluate the benefit of each grant or SLA payment throughout the year. Grant beneficiaries are required to submit formal feedback at the end of each financial year.

5 STAFFING LEVELS

To enable expansion and to keep abreast of demand the Council have agreed a maximum staffing complement of four full-time equivalents, to be recruited as services and resources require. This is treated as a total of 148 staffing hours per week (4X37).

5.1 Current Staffing Levels and

Current weekly levels are as follows:-

Clerk 37 hours

Deputy Clerk 30 hours (min) Assistant Clerk 30 hours (min)

Book-keeper 3 hours Community Warden 15 hours

Total 115 hours

5.2 Next Year

The 2021-22 staffing budget has been set in line with the following weekly staff time, plus one week (5hrs for Finance Asst) worth of overtime over the year for each staff member;

Clerk 37 hours

Deputy Clerk 30 hours (min)
Assistant Clerk 30 hours (min)
Assistant Clerk 30 hours (min)

Book-keeper 3 hours

-- 0100-----

Total 130 hours

6. COUNCILLOR ALLOWANCES

The current level of allowance (agreed in 2018) is £500 per year for the Mayor and £280 per year for Councillors. Allowances count as taxable income. Councillors are not proposing to increase this sum. It was agreed at the informal meeting that a £200 allowance for the Deputy Mayor be included in the budget.

7. RESERVES

Rather than raise a precept for all expenditure items, some budgetary costs may be met by drawing on Council's cash reserves. These are specific sums 'earmarked' for mostly armslength services or activities the Council is involved with. Current year items are:-

2020-21	Item	2021-22 2 nd Draft Budget
£8,000.00	Film Festival	£8,000
£10,500.00	Pop Up Shop	£10,500
£6,300.00	Railway Station	£15,000
£50,000.00	Capital Projects	£50,000
£9,000.00	Playing Pitch Strategy	£9,000
£0.00	Post Office Provision	£2,500
£500.00	Elections	£1,000
£84,300	Total	£96,000

Some one off expenditure items have also been identified that can be drawn down from the Council's general reserve:-

CiLCA Training for Clerk & Deputy	£1,600
IT Equipment for new staff member	£1,500
Office Furniture replacement	£3,000
Total	£6,100

8. RECOMMENDATION

Councillors are requested to review and consider the draft budget and budget report, and agree the Council's budget for the 2021-22 financial year. Also to agree the precept for 2021-22.

Alice Kendall – Acting Town Clerk 30th November 2020

WELLINGTON TOWN COUNCIL

AGENDA ITEM NO.

18

Minutes of an informal meeting of the Wellington Network Partnership held on Wednesday 25th November 2020 at 6.30pm via Zoom.

Present:

Wellington Town Council; Councillors Mark Lithgow (Chairman), Sean Pringle-Kosikowsky and John Thorne. Alice Kendall – Acting Town Clerk and Clerk to Sampford Arundel Parish Council. Annette Kirk – Deputy Town Clerk.

Nynehead Parish Council; Councillors Dr Jan Butterley (Chairman of Parish Council) and Malcom Vest.

West Buckland Parish Council; Councillor David Mitton (also Chairman of SALC). Sampford Arundel Parish Council; Councillor Janet Lloyd (Chairman of Parish Council). Wellington Without Parish Council; Neil Dalton (Clerk).

1. Welcome and Introductions

Attendees offered short 'round the table' introductions.

2. Gathering of information from each Parish regarding what services they currently provide

The updated services sheet was circulated with information so far received. It was suggested that the number of Councillors, number of electors and precept amounts for each Parish be added. Alice will arrange this. Councillors Lithgow and Mitton reported that they had been attending webinars hosted by Stronger Somerset. It was understood that the local clusters will be much larger than was hoped for. Max Wide, the consultant will be contacting the Town and Parish Councils. It was thought that the areas might be set inline with NHS Commissioning Groups. However, the general feeling is that these areas would not work. It was also understood that there will be some support given to the local network systems. This will likely be in the form of dedicated staff member(s). Councillor Mitton has the presentation documents if anyone would like them.

Business cases have to be submitted before 9th December. The Secretary of State will decide on the approach to the consultation process which will last for 8 weeks.

It was reported that, because of the unitary handover, the County Council have voted in favour of asking the Secretary of State to put the 2019 elections on hold.

3.To receive information from Councillor Mitton

Councillor Mitton had circulated for information some questions and answers from a meeting with Saint Cuthbert Out Parish Council and David Fothergill. He also reported that he often speaks with other County Associations and has gathered some information about other Towns and Parishes and how they work with their Unitary Authorities. It was understood that the system in Wiltshire was not very effective with the Towns and Parishes. In Cornwall, Parishes seem to have less input. Dorset are currently trying to catch up with demands having only recently moved to a Unitary Council.

4. Any other items for discussion

There were none.

5. Date of the next meeting

10th February 2021 6.30pm

The meeting closed at 7.30pm.
