## MAYOR'S REPORT - MARCH 2021

**12<sup>th</sup> February.** Together with the Town Clerk and Councillor Battishall I visited the site of the proposed community hall at Cades Farm. This is a project that will be coming forward in due course.

**15<sup>th</sup> February.** I was invited by the Rotary Club of Wellington to be their guest speaker for February. After my presentation which included the variety of work that the town council undertakes, I answered questions from the floor in a wide-ranging discussion.

**Every Friday afternoon** I continue to attend the Emergency High Street Fund meetings with officers from the district council and members of the two other major towns benefiting from the fund, Taunton and Minehead.

On 22 February the Local Government Minister Robert Jenrick announced that he had opened the consultation on the proposals for the reorganisation of local government in Somerset.

Due to the pattern of our council meetings and the short deadline between our April council meeting which will not be held until 12<sup>th</sup> April due to Easter and the closing date for consultation responses, to enable the town council to make a valid response to the two proposed methods of reorganisation, a special virtual meeting of the town council will be held on **Monday 15<sup>th</sup> March at 7.00 p.m.**

February was another quiet month for me as the Mayor, but I have continued to support and work with the town council staff and councillors in our many and varied projects.
