Dear Annette

## PROJECT: PROPOSED ALTERATIONS TO PAVILION BUILDING FOR PARK VISITORS RECREATION GROUND PAVILION COURTLAND ROAD WELLINGTON

Thank you for the opportunity to submit a fee proposal for preparing design layout drawings for proposed internal use of public toilets and 'pop' up cafe venu.

Proposed schedule of work:

**Element 1)** Travel & Site Survey: Carry out measured building survey of pavilion building, prepare existing drawings (floor plans & elevations) for Element 2.

**Element 2)** Design: Prepare design layout scheme based on client brief to include public toilets and 'pop' up cafe venu for visitors to the playground and park

Final presentation of design drawings to include floor plans & elevations to scale 1:50.

#### **FEES & EXPENSES**

I have given my fees careful consideration and estimate my fees based on my hourly rate of £70.00. Based on the scope of work identified above, and to give you a guide, I have anticipated my hours of time to cover the time I would need to spend working on the project up for preparing the supporting drawing documents. My fees are formed on the basis of the estimated effort to achieve the required objectives of the project and are projected at

## Estimate of 14 hours - max. £980 (NO VAT).

(Terms of Payment Nett 7 days of invoice date).

Fees will be invoiced in interim stages of works or upon delivery of all elements. Accepting this quotation also confirms your agreement to these payment terms.

Fees are based on an assessment of the time that will be needed to carry out the services specified above in an efficient manner in "one hit" and avoiding stop-go working arrangements. The fees exclude variations to the scope of works. You will be informed in advance of any expected over-run of the time estimated to complete any of the specified work stages. Any work outside of the quoted basis, including additional work request, will be charged at our standard hourly rates of £70 per hour including any site meetings inclusive of travel time.

Field work lead in timescale - TBC

Fieldwork on site - 1.0 day

Final drawings delivery timescale - 5 days from completion of site visit

**Limits on access to fulfil brief -** Unrestricted access on day of visit to the building - Keys required. **Drawing Format -** PDF & CAD.dwg electronic formats

Yours sincerely
